

Gas and Power Distribution Network Operators

For questions relating to your local distribution of gas or electricity, you need to contact your Gas Distribution Network or your Distribution Network Operator.

If you have an **Electrical Emergency** or power outage, **call 105**

For a **Gas Emergency** call **0800 111 999**

Gas Distribution Networks (GDN)

The GDNs are responsible for the pipes and equipment that distribute the gas to end users.

Gas Distribution Networks	Telephone Number
Cadent	0800 389 8000
SGN	0800 912 1700
Wales and West Utilities	0800 912 1700
Northern Gas Networks	0800 040 7766

Electricity Distribution Network Operators (DNO)

The DNOs design, install, own, operate and maintain the electricity network. Each DNO is allocated a different region that they are responsible for.
